**POWERFUL  
TRAININGS**  
CREATE CHANGE

“It was such a pleasure working with the Transgender Training Institute! I recommend this training to any individual, group, institution, or business who is aiming to be more intentional and thoughtful about supporting their non-binary and transgender communities. It’s also really great for any person who wants to learn more about gender identity, in general, or how to create safer spaces for anyone identifying as non-binary or transgender.”

- Monique Jernigan, Executive Director for Multicultural Affairs,  
St. John’s University
